1. Please tell us who you are (your name, generally as it appears on your license or ID).
2. Please place your member number here. If you don't know it, we can take care of this for you.
3. In this section, please just tell us your current information. This will help us serve you better and keep us in compliance with federal laws.
4. If you have a joint owner, also fill in this section. Please note that anyone on your current membership will also need to be on your checking account. If this doesn't work, let us know and we can look into a second membership account for you.
5. Which account would you like? We have a completely free, non-interest bearing account and one that does pay interest. The only thing to be aware of is that our interest-bearing account asks that you maintain at least \$500 in the account.
